FEMAVEN

WELCOME

Hi There!

FEMAVEN GETAWAYS CURATES UNFORGETTABLE EXPERIENCES FOR WOMEN THAT SEEK TO IMMERSE THEMSELVES IN LOCAL CULTURE WHILE HAVING A SHIT TON OF FUN!

As a travel & food maven, I never show up to the party empty-handed. I am the go-to person in my group of friends to plan our next happy hour, bachelorette, international birthday trip or long weekend getaway. I have over a decade of experience in hospitality and events in top destinations such as San Diego, Scottsdale, Tulum, Vietnam, and Australia. I have been to over 15 countries and counting! As a self-proclaimed charcuterie board champion, I will challenge you to put on the best spread, no matter the geographic location in the world. I'm lover of all things red wine, gin and champagne and I rarely say no to an opportunity to meet new friends and share memories over a sneaky beverage.

I love a fancy five-star hotel and glass of \$20 champagne with a view, but I've found that my greatest memories are all about the connections that I make when I travel. Some of my favorite nights have been off the beaten path when I find the local taco shop, throw back a shot of tequila with the owner and dance on the bar all night with the staff.

I have curated my own kind of travel style that is a combination of all things luxury with a bit of street, grit, soul, mischief, and a "no regrets" attitude! I have taken what I has learned from the absolute best of the best and said F*CK IT - I'm doing my own thing and it's called FeMAVEN!
